About the Company

Founded by Rich Ho, Richmanclub Studios was registered and incorporated in Singapore on the 6th June 2004 as a motion pictures production company.

Our first official commissioning was from the Singapore Management University to produce "The Alien Invasion" as a farewell parting gift to pioneering students at their graduation. The short film involved a massive cast of over 80 real-life university students, staff, and faculty. It was premiered on 10th July 2004.

Since then "The Alien Invasion" has been shown around the world, including a "Best International Digital Short nomination" at Taipei's Golden Horse Awards and Rotterdam International Film Festival.

Our first feature film commenced shoot in 2005 and was completed this year. We're busy working on its marketing and release right now.
